

Women Building Better Communities Since 1952

Dear Marcus,

On behalf of the Junior League of Wilmington I want to thank you for Culinary Creations continued support of the work of the Junior League of Wilmington.

February's Operation Name Drop is just one of the ways we seek to enhance the relationship between the League and our supporters like you.

Without your help we could not deliver to the Community the dollars and volunteer hours that we have this year.

We look forward to a long future working together toward helping the less fortunate of Wilmington.

Respectfully,
Annie M. Anthony
President
