

Thank you 1st Oct.

Marcus,

We cannot thank you enough for everything you did to make Sara & Chris's wedding so perfect. The coordination & the smoothness in which all went could not have been any better. Everyone was so gracious and complimentary of the excellent food and service.

I definitely want to get with you when we're down soon to personally talk and thank you, but I'm afraid I'll miss you this week - and maybe next weekend.

Again thanks & am looking forward to getting back with you

Sincerely
Mark & Doris
